the NAMES of the HOLY SPIRIT

Who are we?

Bendigo Baptist is a multi-generational community of faith that is convinced that BEING & MAKING disciples of Jesus Christ is the all-consuming focus and priority of every person in the church.

It is the "mission of God in the hands of ordinary people" and we are committed to playing the part that we've been called to do (Matthew 4:19; 28:18-20).

BEING is done predominatly in relational environments (particularly Life Groups), but we are also passionate about coming together to celebrate what God is doing in and through us.

These Celebrations, held at 9:30am (Eaglehawk Campus), 10:30am or 5pm (Junortoun Campus) on Sundays are a relaxed, informal style to which we are sure you'll find it easy to relate.

Our Online Campus is another way to worship & fellowship together. Our 10:30am service is live-streamed each Sunday and you can watch it via [You Tube](#) or [Facebook](#).

We hope you'll join us for a worship service to see for yourself what we're about.

DEALING WITH DIFFICULT PEOPLE

Everyone can be difficult for others at times, especially under stress and in private. But certain patterns of behaviour are relationally more challenging, and we find it difficult to understand what is going on, to grasp how others are affected, to hold our ground personally and to care for all concerned. Excessive negativity, failure to set or recognise boundaries, sudden switches in emotionality or connectedness, or an entitled attitude that becomes antagonistic if dissatisfied can surprise and throw us. Recognition is important as these behaviours may not respond as hoped to familiar strategies, and alternative ideas are needed.
