PRAYER AND PRAISE

Please be praying for:

- + The Youth Small Groups to continue to deepen & strengthen relationships.
- + Lindsay Douglass and the family as they grieve the loss of Audrey. Also Lindsay in his recovery from a recent stroke.
- + Discipleship Training – 21 & 22 September; for planning and registrations, that a goal of 50 participants be reached.
- + Tom to hear God's voice.
- + Joyce Stait for strength, wisdom and peace, in what is a difficult season.
- + Healing for Dino's son, Chris, during his treatment for Hodgkin's Lymphoma. Please pray for no colds or infections as he has treatment.
- + Brock's Dad; for salvation, softening of his heart to Jesus.
- + Marie's 7-month old baby has health issues. Please pray for baby's health & wisdom for doctors and nurses.
- + CH; she is now home but finding life a bit overwhelming. Pray she will trust in God's goodness as she moves forward.
- + Jess Hinson as she continues to recover.
- + Marriages in our church community to be strengthened in God's power.
- + God's provision & discernment regarding 128 Victoria St. Eaglehawk.
- + GB Vic this weekend at the state camp. There are 74 girls attending. Pray they will be challenged by the all that they hear and participate in. Pray for Amanda, the speaker, to faithfully speak God's word to the girls.
- + The establishment of new small groups and the need for new leaders to facilitate environments which are conducive for being and making Disciples of Christ.

Praise God for:

- + His answer to prayer regarding Coll Hastings' daughter, Julie. She is doing really well after her head injury three months ago. Her speech has returned to 99 per cent normal and her thinking and processing skills are improving too. She is back working almost full time again. Thank you for praying!
- +

- + Kerryn Mackinder who has contracted dengue fever in Thailand. Pray for a quick recovery, strength and energy. Please also pray for God to intervene as the Thai government up in the north is tightening up on volunteer visas which has the potential to impact upon the mission.
- + Ashley Eadon who has been passing out regularly; that they would find clarity from the tests and she will be restored to great health.
- + Michelle Cook, for healing for her knee before she goes away on annual leave to Tasmania.
- + Joan Chappell who is slowly improving. Please pray that God will continue to restore her health.
- + Scott Morrison as he leads the country, particularly for wisdom as to how best help our farmers in a season of drought.
- + The farming community, in what is a very difficult season. Asking God for rain and strength for those struggling to cope with the negative outcomes from the drought.
- + Access ministries which faced a Victorian Civil and Administrative Tribunal (VCAT) case on September 11th. The claims made against them pertained to our advertising for School Chaplains to be Christian. Pray for God's sovereignty to reign.
- + Kris Schmid as she recovers for recent knee surgery, that the pain will cease, and the transition home will be a smooth one.
- + The Danes family, as they grieve the passing of Glen.
- + The 150th celebrations this weekend at Eaglehawk Campus; that God will be honoured and that all the plans and preparation will go smoothly.

- + Brock's Dad; for God's protection and guidance during his chemo and stem cell transplant. Praise God that he has not experienced any side-effects and his blood is now responding well. All glory to God, not chance.
- + 150 years of Baptist work in Eaglehawk.
